

8th Grade Supply List
2017-2018

English-Language Arts & Social Studies

The following supplies are mandatory for each student this school year. Please contact either teacher if it is not possible to obtain these items.

- 1.5" 3-ring binder
- 5 dividers
- Loose-leaf paper (NO SPIRAL BOUND NOTEBOOKS)
- Pencils
- Large eraser
- Four packs of sticky notes
- Highlighters OR colored pencils OR markers (you may bring all 3, but you do not have to)

The following supplies are highly recommended, but not mandatory:

- Black or blue pens
- Tissues
- Hand sanitizer
- Pencil sharpener with cover

Math

- 2 spiral notebooks
- 1 folder
- 1 3-ring notebook
- Notebook filler paper
- Graph/grid filler paper
- Headphones or earbuds (will remain with student to be used in other classes as well)
- Pencils

Desired supplies for shared use in 8th grade classrooms:

- Sanitary wipes
- Hand sanitizer
- Tissues
- Dry erase markers
- Dry erase board cleaner

Only for students taking 8th Grade Algebra 1: It is strongly recommended that you purchase a [TI-84 plus graphing calculator](#). CGLA does provide TI-84 plus graphing calculators for classroom use, but students will not take these calculators home to use on homework and assignments. Students will use a graphing calculator

for all math courses in high school and college, so investing in a TI-84 plus graphing calculator is a smart decision. However, because of the price of a graphing calculator, it is not a required supply. But students with their own would benefit from having their own personal TI-84 plus calculator.

Science

- 1 Composition notebook (solid color)
- 1 Folder with pockets (solid color)
- Colored pencils
